IV. STATEMENT OF CLAIM

Claim I

State what right under the Constitution, laws, or treaties of the United States has been violated.

The defendant(s) are in violation of the United States of America's Constitution, Article 1 §9 clause #8 by receiving and or reciepts of emoluments, resulting from his illegitimate nomination into the Presidency of the United States of America.

Supporting Facts: *(State here as briefly as possible the facts of your case. Describe how each defendant is involved and when the conduct occurred. It is not necessary to give any legal arguments or cite any cases or statutes.)*

On January 20, 2017 at 12:01pm when Donald J Trump was officially inaugurated as the President of the United State and "Did Not" place into a "Blind Trust" his companies that have his name as a "Owner" or "Partial Owner", any business interest bearing his name, any stocks, bonds, commodities, and or securities, bearing his name sake, and any real estate holdings bearing his name sake under his control that could potentially gain an advantage, profit, or gain, is in direct violation of what this country was built upon, and no amount of money or illegitimate position that is assumed can place you above those Rules and Regulations so as to act unconstitutionally.

Claim II

State what right under the Constitution, laws, or treaties of the United States has been violated.

The defendant(s) because of the failure of the Congress of the United States of America to enforce the power given to it by the Constitution of the United States of America Article I §1, and demanding that the vote of the people of the United States elect our President, resulted in the defendant(s) benefiting from the travisty of the election process and becoming our President and Vice President

(2)

Supporting Facts: *(State here as briefly as possible the facts of your case. Describe how each defendant is involved and when the conduct occurred. It is not necessary to give any legal arguments or cite any cases or statutes.)*

On January 20, 2017 at 12:01pm, because of Congress "not" exercising its legislative Powers and "Confirming" the vote of the people of the United States of America that according to the popular vote Donald J Trump "Lost", the defendant(s), as a result of Congress "not" exercising its legislative Powers, assumed a illegitimate position of President and Vice President against what was a confirmed popular vote against the defendant(s).

Claim III

State what right under the Constitution, laws, or treaties of the United States has been violated.

The defendant(s) pursuant to Article VII Amendment XXVI §1 was the beneficiary of an "Atrocity" towards the people of the United States of America when the Congress chose "Not" to enforce the vote of the people of the United States of America pursuant to Article VII Amendment XXVI §2 and making the results illegitimate.

Supporting Facts: *(State here as briefly as possible the facts of your case. Describe how each defendant is involved and when the conduct occurred. It is not necessary to give any legal arguments or cite any cases or statutes.)*

According to the Constitution of the United States of America it is the Citizens of the United States of America that has the responsibility of voting for and therefore electing who is to be the President of the United States of America, and the Congress is to use its legislative Power to enforce the peoples vote, once it is confirmed.

Claim IV

The defendant(s) pursuant to Article VII Amendment XXIV §1 was the beneficiary of an "Atrocity" towards the people of the United States of America when the Congress chose not to enforce the vote of the people pursuant to Article VII Amendment XXIV §2, and making the results illegitimate.

Supporting Facts

According to the Constitution of the United States of America it is the citizens of the United States of America that has the responsibility of voting for and therefore electing who is to be the President of the United States of America, and the Congress is to use its legislative Power to enforce the peoples vote, once it is confirmed.

Claim V

The defendant(s) pursuant to Article VII Amendment XXIII §1 in violation of Article VII Amendment XIV §2 and not honoring in the popular vote of the people of the United States of America, and not allowing the confirmed vote of the people to elect our President, is a monumental "Atrocity" against the voice of the people

Supporting Facts

According to the Constitution of the United States of America it is the citizens of the United States of America that has the responsibility of voting for and therefore electing who is to be the President of the United States of America, and Congress

(4)

is to use its legislative Power to enforce the peoples vote, once it is confirmed.

Claim VI

The defendant(s) violation of Article VII Amendment XIV §3 by the befriending, giving of aid, and or comfort to the enemies of the United States is in "Direct" violation of the Constitution of the United States of America.

Supporting Facts

The information available to me is something that will be displayed upon discovery. The various people and deals that were made were not all legal, and all monies that were invested around the world was not made legitimately.

Claim VII

The defendant(s) were the beneficiaries of the violation of Article VII Amendment XIX, by the Congress not administering their Congressional Power and allowing the "confirmed" popular vote to stand as the way and means of electing our President made the defendant(s) position and the results of the vote illegitimate.

Supporting Facts

The "Best" was to present the above mentioned "Supporting Facts" is with a verbatim recital of the Constitution of the United State of America, and it states:

(5)

We the people of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America:

It is important to observe the opening sentence: it states We the peope of the United States "Not" We the Electoral College.

Claim VIII

The defendant(s) Donald J Trump upon being found guilty of the violations in this Civil Rights Complaint, pursuant to Article II § 4 shall be removed from office on Impeachment.

Supporting Facts

The information available is public knowledge and was available prior to the defendants illegitimate assumption of office, and it will be displayed at that time.

Claim IX

The defendant(s) Donald J Trump upon entering the political arena was required to make know and or make available for critique his last three years tax returns, and did not in violation of the Constitution and the Laws of

6

the United States of America, and in violation of Article VII Amendment XIV § 5 which resulted from Congress not exercising the legislative Power and Authority to demand the defendant to follow the guidelines that it has the Power to enforce.

Supporting Facts

One important Fact that I will share with you right now is that the defendant still has not met his obligation as a public official that has ran or has run for public office to make his life as "Transparent" as possible, and that includes the defendant. Who still, up to this very moment, has not met that obligation, and Congress has disregarded its duty and failed the people of the United States, and me, by "Not" doing what is "Repeatedly" stated in the Constitution of the United States of America: "The Congress shall have power to enforce this article by appropriate legislation." What is the "Constitution" worth if "Congress" will "Not" enforce it.

V Relief Demand

Ever since this scam of an election process had happened my health has deteriorated, I now have anxiety issues, depression, can't sleep thru the night, I am fearful about my future now. I will be getting release to an America that disregards its people, and I will soon be a tax paying citizen again, in good standing with society, but ignored by the political process, and the politicians. I want from the defendant(s) $1,000,000,000 {One Billion Dollars} so as to act as a deterrent towards this type of behavior by the defendant or others like him that want to make a mockery out of the United States of America its Constitution and Laws, and its political process.

Declaration of Verification

I declare under the penalty of perjury that the facts set forth are true to the best of my own personal knowledge and belief.

Signed this 23rd day of January 2017
